SIX POSITION SIDE FOLDING STOCK AVAILABLE FOR SKS

Advanced Technology International introduces an SKS stock with new universal pistol grip, SureLock pivot pin, and Posi-Adjust receiver spring. Features three 2" Picatinny Rails; one 4" Picatinny Rail, removable/adjustable cheekrest, non-slip removable rubber buttpad, and sling swivel studs. Made from military grade polymer, the adjustable six-position buttstock can be fired from folded position. Comes in matte black.

For more information, visit www.atigunstocks.com or call (800) 925-2522.
